SUGGESTED ANSWERS/HINTS

1. In terms of section 2 (87) of the Companies Act 2013 "subsidiary company" or "subsidiary", in relation to any other company (that is to say the holding company), means a company in which the holding company—

- (i) controls the composition of the Board of Directors; or
- (ii) exercises or controls more than one-half of the total share capital either at its own or together with one or more of its subsidiary companies:

Provided that such class or classes of holding companies as may be prescribed shall not have layers of subsidiaries beyond such numbers as may be prescribed.

Explanation.—For the purposes of this clause,—

- (a) a company shall be deemed to be a subsidiary company of the holding company even if the control referred to in sub-clause (i) or sub-clause (ii) is of another subsidiary company of the holding company;
- (b) the composition of a company's Board of Directors shall be deemed to be controlled by another company if that other company by exercise of some power exercisable by it at its discretion can appoint or remove all or a majority of the directors.

In the present case, Jeevan Pvt. Ltd. and Sudhir Pvt. Ltd. together hold less than one half of the total share capital. Hence, Piyush Private Ltd. (holding of Jeevan Pvt. Ltd. and Sudhir Pvt) will not be a holding company of Saras Pvt. Ltd.

However, if Piyush Pvt. Ltd. has 8 out of 9 Directors on the Board of Saras Pvt. Ltd. i.e. controls the composition of the Board of Directors; it (Piyush Pvt. Ltd.) will be treated as the holding company of Saras Pvt. Ltd.

2. Under Section 118 (5) of the Companies Act, 2013, there shall not be included in the Minutes of a meeting, any matter which, in the opinion of the Chairman of the meeting:
- (i) is or could reasonably be regarded as defamatory of any person;
 - (ii) is irrelevant or immaterial to the proceeding; or
 - (iii) is detrimental to the interests of the company;

Further, under section 118(6) the chairman shall exercise absolute discretion in regard to the inclusion or non-inclusion of any matter in the Minutes on the grounds specified in sub-section (5) above.

Hence, in view of the above, the contention of Manoj, a shareholder of Amit Limited is not valid because the Chairman has absolute discretion on the inclusion or exclusion of any matter in the minutes for aforesaid reasons.

3. The problem as asked in the question is governed by Section 58 of the Companies Act, 2013 dealing with the refusal to register transfer and appeal against refusal.

In the present case the company has committed the wrongful act of not sending the notice of refusal of registering the transfer of shares.

Under section 58 (4), if a public company without sufficient cause refuses to register the transfer of securities within a period of thirty days from the date on which the instrument of transfer is delivered to the company, the transferee may, within a period of sixty days of such refusal or where no intimation has been received from the company, within ninety days of the delivery of the instrument of transfer, appeal to the Tribunal.

Section 58 (5) further provides that the Tribunal, while dealing with an appeal made under sub-section (4), may, after hearing the parties, either dismiss the appeal, or by order—

- (a) direct that the transfer or transmission shall be registered by the company and the company shall comply with such order within a period of ten days of the receipt of the order; or
- (b) direct rectification of the register and also direct the company to pay damages, if any, sustained by any party aggrieved;

In the present case Ms. Mukta can make an appeal before the tribunal and claim damages.

4. (i) The given problem is based on the proviso provided in the section 127 (d) of the Companies Act, 2013. As per the law where the dividend is declared by a company and there remains calls in arrears and any other sum due from a member, in such case no offence shall be deemed to have been committed where the dividend has been lawfully adjusted by the company against any sum due to it from the shareholder.

As per the facts given in the question, Mr. A is holding equity shares of face value of ₹ 10 Lakhs and has not paid an amount of ₹ 1 lakh towards call money on shares. Referring to the above provision, Mr. A is eligible to get ₹ 1.20 lakh towards dividend,

out of which an amount of ₹ 1 lakh can be adjusted towards call money due on his shares. ₹ 20,000 can be paid to him in cash or by cheque or in any electronic mode.

According to the above mentioned provision, company can adjust sum of ₹ 1 lakh due towards call money on shares against the dividend amount payable to Mr. A.

- (ii) According to section 123(5), dividend shall be payable only to the registered shareholder of the share or to his order or to his banker. Facts in the given case state that Ms. N, the holder of equity shares transferred the shares to Mr. R whose name has been registered on 20th May 2017. Since, he became the registered shareholder before the declaration of the dividend in the Annual general meeting of the company held on 20th September 2017, so, Mr. Raj will be entitled to the dividend.
5. Section 135 read with *Companies (Corporate Social Responsibility Policy) Rules, 2014* of the Companies Act, 2013 deals with the provisions related to the Corporate Social Responsibility.

As per the given facts, following are the answers in the given situations-

- (i) **Amount that Company has to spend towards CSR:** According to section 135 of the Companies Act, 2013, the Board of every company shall ensure that the company spends, in every financial year, at least two per cent of the average net profits of the company made during the three immediately preceding financial years, in pursuance of its CSR Policy.
- Accordingly, net profits of Tirupati Ltd. for three immediately preceding financial years is 150 crores (30+70+50) and 2% of the average net profits of the company made during these three immediately preceding financial years will constitute 1 crore, can be spent towards CSR in financial year 2017-2018.
- (ii) **Composition of CSR Committee:** The CSR Committee shall be consisting of 3 or more directors, out of which at least one director shall be an independent director.
- (a) an unlisted public company or a private company covered under section 135(1) which is not required to appoint an independent director, shall have its CSR Committee without such director;
- (b) a private company having only two directors on its Board shall constitute its CSR Committee with two such directors;
6. In terms of section 68 (2) (c) of the Companies Act, 2013 a company is allowed to buy back a maximum of 25% of the aggregate of its paid- up capital and free reserves. Hence, the company in the given case is not allowed to buy back its entire equity shares.
- Section 68 (1) of the Companies Act, 2013 specifies the sources of funding buy back of its shares and other specified securities as under:
- (a) Free reserves or
- (b) Security Premium account or

(c) Proceeds of the issue of any shares or other specified securities

However, under the proviso to section 68 (1) no buy back of shares or any specified securities can be made out of the proceeds of an earlier issue of the same kind of shares or same kind of specified securities.

7. In accordance with the provisions of the Companies Act, 2013, as contained under section 134 (1), the financial statements, including consolidated financial statement, if any, shall be approved by the Board of Directors before they are signed on behalf of the Board by at least:
- (1) The Chairperson of the company where he is authorized by the Board; or
 - (2) Two directors out of which one shall be the managing director and other the Chief Executive Officer, if he is a director in the company
 - (3) The Chief Financial Officer and the Company Secretary of the company, wherever they are appointed.

In case of a One Person Company, the financial statements shall be signed by only one director, for submission to the auditor for his report thereon.

The Board's report and annexures thereto shall be signed by its Chairperson of the company, if he is authorized by the Board and where he is not so authorized, shall be signed by at least two directors one of whom shall be a managing director or by the director where there is one director.

- (i) In the given case, the Balance Sheet and Profit & Loss Account have been signed by Mr. X and Mr. Y, the directors. In view of the provisions of Section 134 (1), the Managing Director Mr. D should be one of the two signatories. Since, the company has also employed a full time Secretary, he should also sign the Balance Sheet and Profit & Loss Account. Therefore, authentication done by two directors is not valid.
 - (ii) In case of OPC, the financial statements should be signed by one director and hence, the authentication is in order.
8. (a) The non disclosure of the fact that dividends were paid out of capital profits is a concealment of material fact as a company is normally required to distribute dividend only from trading or revenue profits and under exceptional circumstances can do so out of capital profits. Hence, a material misrepresentation has been made. Hence, in the given case the allottee can avoid the contract of allotment of shares.
- (b) According to section 80 of the Companies Act, 2013, where any charge on any property or assets of a company or any of its undertakings is registered under section 77 of the Companies Act, 2013, any person acquiring such property, assets, undertakings or part thereof or any share or interest therein shall be deemed to have notice of the charge from the date of such registration.

Thus, the section clarifies that if any person acquires a property, assets or undertaking for which a charge is already registered, it would be deemed that he has complete knowledge of charge from the date the charge is registered.

Thus, the contention of NRT Ltd. is correct

9. Section 40 (6) of the Companies Act 2013, provides that a company may pay commission to any person in connection with the subscription or procurement of subscription to its securities, whether absolute or conditional, subject to a number of conditions which are prescribed under *Companies (Prospectus and Allotment of Securities) Rules, 2014*. In relation to the case given, the conditions applicable under the above Rules are as under:
- (a) The payment of such commission shall be authorized in the company's articles of association;
 - (b) The commission may be paid out of proceeds of the issue or the profit of the company or both;
 - (c) The rate of commission paid or agreed to be paid shall not exceed, in case of shares, five percent (5%) of the price at which the shares are issued or a rate authorised by the articles, whichever is less, and in case of debentures, shall not exceed two and a half per cent (2.5 %) of the price at which the debentures are issued, or as specified in the company's articles, whichever is less;

Thus, the Underwriting commission is limited to 5% of issue price in case of shares and 2.5% in case of debentures. The rates of commission given above are maximum rates.

In view of the above, the decision of Kapoor Builders Ltd. to pay underwriting commission exceeding 2% as prescribed in the Articles is invalid.

The company may pay the underwriting commission in the form of flats as both the Companies Act and the Rules do not impose any restriction on the mode of payment though the source has been restricted to either the proceeds of the issue or profits of the company.

10. (i) The appointment and re-appointment of auditor of a Government Company or a government controlled company is governed by the provisions of section 139 of the Companies Act, 2013 which are summarized as under:

The first auditor shall be appointed by the Comptroller and Auditor General of India within 60 days from the date of incorporation and in case of failure to do so, the Board shall appoint auditor within next 30 days and on failure to do so by Board of Directors, it shall inform the members, who shall appoint the auditor within 60 days at an extraordinary general meeting (EGM), such auditor shall hold office till conclusion of first Annual General Meeting.

In case of subsequent auditor for existing government companies, the Comptroller & Auditor General of India shall appoint the auditor within a period of 180 days from the commencement of the financial year and the auditor so appointed shall hold his position till the conclusion of the Annual General Meeting.

- (ii) The situation as stated in the question relates to the creation of a casual vacancy in the office of an auditor due to resignation of the auditor before the AGM in case of a company other government company. Under section 139 (8)(i) any casual vacancy in the office of an auditor arising as a result of his resignation, such vacancy can be filled by the Board of Directors within thirty days thereof and in addition the appointment of the new auditor shall also be approved by the company at a general meeting convened within three months of the recommendation of the Board and he shall hold the office till the conclusion of the next annual general meeting.
11. (a) An agent has the authority in an emergency to do all such acts as a man of ordinary prudence would do for protecting his principal from losses which the principal would have done under similar circumstances.
- A typical case is where the 'agent' handling perishable goods like 'apples' can decide the time, date and place of sale, not necessarily as per instructions of the principal, with the intention of protecting the principal from losses. Here, the agent acts in an emergency and acts as a man of ordinary prudence. In the given case S had acted in an emergency situation and hence, R will not succeed against him.
- (b) Problem asked in the question is based on the provisions of the Indian Contract Act, 1872 as contained in Section 150. The section provides that if the goods are bailed for hire, the bailor is responsible for such damage, whether he was or was not aware of the existence of such faults in the goods bailed. Accordingly, applying the above provisions in the given case Suresh is responsible to compensate Ramesh for the injuries sustained even if he was not aware of the defect in the carriage.
12. The problem in this case, is based on the provisions of the Indian Contract Act, 1872 as contained in Section 215 read with Section 216. The two sections provide that where an agent without the knowledge of the principal, deals in the business of agency on his own account, the principal may:
- (1) repudiate the transaction, if the case shows, either that the agent has dishonestly concealed any material fact from him, or that the dealings of the agent have been disadvantageous to him.
 - (2) claim from the agent any benefit, which may have resulted to him from the transaction.
- Therefore, based on the above provisions, Mr. A is entitled to recover ₹ 30 lakhs from Mr. S being the amount of profit earned by Mr. S out of the transaction.
13. According to section 40 of the Negotiable Instruments Act, 1881, where the holder of a negotiable instrument, without the consent of the endorser, destroys or impairs the endorser's remedy against a prior party, the endorser is discharged from liability to the holder to the same extent as if the instrument had been paid at maturity. Any party liable on the instrument may be discharged by the intentional cancellation of his signature by the holder.

In the given question, E is the holder of a bill of exchange of which F is the payee and it contains the following endorsement in blank:

First endorsement, 'F'

Second endorsement, 'G'

Third endorsement, 'H'

Fourth endorsement, 'I'

'E', the holder, may intentionally strike out the endorsement by 'G' and 'H'; in that case the liability of 'G' and 'H' upon the bill will come to an end. But if the endorsements of 'G' and 'H' are struck out without the consent of 'I', 'E' will not be entitled to recover anything from 'I'. The reason being that as between 'H' and 'I', 'H' is the principal debtor and 'I' is surety. If 'H' is released by the holder under Section 39 of the Act, 'I', being surety, will be discharged. Hence, when the holder without the consent of the endorser impairs the endorser's remedy against a prior party, the endorser is discharged from liability to the holder.

Thus, if 'E' strikes out, without I's consent, the endorsements by 'G' and 'H', 'I' will also be discharged.

14. As per the provisions of Section 27 of the General Clauses Act, 1897, where any legislation or regulation requires any document to be served by post, then unless a different intention appears, the service shall be deemed to be effected by:

1. properly addressing,
2. pre-paying, and
3. posting by registered post.

A letter containing the document to have been effected at the time at which the letter would be delivered in the ordinary course of post.

Therefore, in view of the above provision, since, the statutory rules itself provides about the service of notice that a notice when required under said statutory rules to be sent by 'registered post acknowledgement due', then, if notice was sent by 'registered post' only it will not be the compliance of said rules. However, if such provision was not provided by such statutory rules, then service of notice if by registered post only shall be deemed to be effected.

Furthermore, in similar case of *In United Commercial Bank v. Bhim Sain Makhija, AIR 1994 Del 181*: A notice when required under the statutory rules to be sent by 'registered post acknowledgement due' is instead sent by 'registered post' only, the protection of presumption regarding serving of notice under 'registered post' under this section of the Act neither tenable not based upon sound exposition of law.

15. **Proviso:** The normal function of a proviso is to except something out of the enactment or to qualify something stated in the enactment which would be within its purview if the proviso were not there. The effect of the proviso is to qualify the preceding enactment which is

expressed in terms which are too general. As a general rule, a proviso is added to an enactment to qualify or create an exception to what is in the enactment. Ordinarily a proviso is not interpreted as stating a general rule.

It is a cardinal rule of interpretation that a proviso to a particular provision of a statute only embraces the field which is covered by the main provision. It carves out an exception to the main provision to which it has been enacted as a proviso and to no other. (*Ram Narain Sons Ltd. vs. Assistant Commissioner of Sales Tax, AIR 1955 SC 765*).

Distinction between Proviso, exception and saving Clause

There is said to exist difference between provisions worded as 'Proviso', 'Exception', or 'Saving Clause'.

Proviso	Exception	Saving Clause
Exception' is intended to restrain the enacting clause to particular cases	'Proviso' is used to remove special cases from general enactment and provide for them specially	'Saving clause' is used to preserve from destruction certain rights, remedies or privileges already existing
