¹ In the absence of information relating to fair rent, the GAV in the above solution has been worked out on the assumption that the actual rent for 9 months exceeds the fair rent for the whole year. In the alternative, it is possible to assume that the fair rent is equal to actual rent. In such a case, GAV would be ₹ 5,52,000 i.e., ₹ 46,000 x 12, being fair rent for the whole year. The income from house property would be ₹ 3,67,500. The gross total income and total income would, accordingly, change to ₹ 17,81,700 and ₹ 15,96,700 respectively. The tax payable would be ₹ 2,10,970.

² It is presumed that commercial building is let out to an individual/HUF whose turnover does not exceed limit specified in section 44AB during the immediately preceding F.Y. Hence, TDS u/s 194-I is not attracted. Also, TDS u/s 194-IB is not attracted since monthly rent does not exceed ₹ 50,000.

- (b) Examine the TDS implications in the following cases along-with reasons thereof:
- Ms. Varsha received a sum of ₹ 95,000 on 31st December 2018 towards maturity proceeds of LIC taken on 1st October 2013 for which sum assured was ₹ 80,000. and annual premium was ₹ 10,000.
 - Mr. Deepak transferred a residential house property to Mr. Karan for ₹ 45 lacs. The stamp duty value of such property is ₹ 55 lacs.
 - XYZ Private Limited pays the following amounts to Mr. Narayan during previous year 2018-19 :
 - ₹ 22,000 towards fee for professional services
 - ₹ 18,000 towards royalty.
 - Payment of ₹ 1,75,000 made to Mr. Vaibhav for purchase of calendar according to specifications of M/s. ABC Limited. However, no material was supplied for such calendar by ABC Limited to Mr. Vaibhav.
 - Talent Private Limited pays ₹ 12,000 to Ms. Sudha, its director, towards sitting fee which is not taxable u/s 192.
 - Radha Limited is engaged for Shyam Limited only in the business of operation of call centre. On 18-03-2019, the total amount credited by Shyam Limited in the ledger account of Radha Limited is ₹ 70,000 regarding service charges of call centre. The amount is paid through cheque on 28/03/2019 by Shyam Limited. **(7 Marks)**

Answer**(a) Computation of Gross Total Income of Shri Subhash Chandra for the A.Y. 2019-20**

	Particulars	Resident and Ordinarily Resident [ROR] (₹)	Resident but Not Ordinarily Resident [RNOR] (₹)
(i)	<u>Income from business in India, controlled from London</u> [Taxable both in the hands ROR and RNOR, since income accrues/arises from business in India, irrespective of the fact that business is controlled from London]	2,00,000	2,00,000
(ii)	<u>Profits earned from business in Japan</u> [Profits from business in Japan is taxable in the hands of ROR, since global income is taxable in the hands of ROR. Moreover, entire profit of ₹ 70,000 would be taxable in the hands of RNOR, even if only ₹ 20,000 is received in India, since the business in Japan is controlled from India]	70,000	70,000

(iii)	Untaxed income for the year 2016-17 of a business in England which was brought in India during the P.Y. 2018-19 [Not taxable either in the hands of ROR or RNOR, since such income is not related to the P.Y. 2018-19.]	Nil	Nil
(iv)	Royalty received from a resident for technical service provided to run a business outside India [Taxable in the hands of ROR, since global income is taxable in the hands of ROR. Not taxable in the hands RNOR, since royalty income is not deemed to accrue or arise in India as such income is paid by a resident for technical services used to run a business outside India.]	4,00,000	Nil
(v)	Agricultural Income in Bhutan³ [Since agricultural income accrues/arises outside India, it is taxable only in the hands of ROR. No exemption is available in respect of agricultural income earned outside India]	90,000	Nil
(vi)	Income from house property in Dubai, which was deposited in a bank at Dubai Since income accrues/arises outside India and is also received outside India, it is taxable only in the hands of ROR 73,000 Less: Deduction u/s 24@30% <u>21,900</u> [See Note below for alternative treatment]	51,100	Nil
Gross Total Income		8,11,100	2,70,000

Note – In the above solution, income of ₹ 73,000 from house property in Dubai is presumed to be the rent received, since the said amount is stated to be the amount deposited in bank. Accordingly, deduction@30% of the said amount has been provided to compute the “Income from house property”, where Shri Subhash Chandra is a ROR.

³ Presumed that the same was received in Bhutan

However, since the words “Income from house property” appears to indicate that the same is the income computed under that head of income, it is possible to consider the said amount of ₹ 73,000 as income computed under the head “Income from house property” after providing deduction @ 30% under section 24(a). In such a case, the gross total income of Shri Subhash Chandra, if he were a ROR, would be ₹ 8,33,000.

(b) TDS implications

- (i) **On payment of LIC maturity proceeds** - The annual premium exceeds 10% of sum assured in respect of a policy taken after 31.3.2012, and consequently, the maturity proceeds of ₹ 95,000 would not be exempt u/s 10(10D) in the hands of Ms. Varsha. However, tax deduction provisions u/s 194-DA are not attracted since the maturity proceeds are less than ₹ 1 lakh.
- (ii) **On payment of sale consideration for purchase of residential house property** - Since the sale consideration of house property is less than ₹ 50 lakhs, Mr. Karan is not required to deduct tax at source u/s 194-IA, irrespective of the fact that the stamp duty value is more than the sale consideration as well as the threshold limit of ₹ 50 lakhs.
- (iii) **On payment of fee for professional services and royalty** - Under section 194J, the threshold limit of ₹ 30,000 is specified separately for, *inter alia*, fees for professional services and royalty. Therefore, XYZ Private Limited is not required to deduct tax at source under section 194J either on fee of ₹ 22,000 for professional services or on royalty of ₹ 18,000 paid to Mr. Narayan, since the payment under each category does not exceed the independent threshold ₹ 30,000 specified thereunder.
- (iv) **On payment for purchase of calendar according to specifications** - As per section 194C, the definition of “work” does not include the manufacturing or supply of product according to the specification by customer in case the material is purchased from a person other than the customer.
Therefore, M/s ABC Limited is not required to deduct tax at source in respect of payment of ₹ 1,75,000 to Mr. Vaibhav, for purchase of calendar according to its specifications, since it did not supply the material for such calendar. Hence, the contract is a contract for ‘sale’ and not a works contract.
- (v) **On payment of sitting fees to the director** - Talent Private Limited is required to deduct tax at source @ 10% on sitting fees of ₹ 12,000 paid to its director, since the threshold limit of ₹ 30,000 u/s 194J is not applicable in respect of fees paid to a director of a company.
- (vi) **On payment of call centre service charges** - Since Radha Limited is engaged only in the business of operation of call centre, Shyam Limited is required deduct tax at source @ 2% on the amount of ₹ 70,000 u/s 194J on 18.3.2019 i.e., at the time of credit of call centre service charges to the account of Radha Limited, since the said date is earlier than the payment date i.e., 28.3.2019.

Answer

- (a) **Computation of value of taxable supply of M/s. Apna Bank Limited for the month of August, 2018**

Particulars	Amount in crores (₹)
Housing loan extended to customers	Nil

[Since money does not constitute goods, extending housing loan is not a supply.]	
Processing fee collected on sanction of loan [Interest does not include processing fee on sanction of the loan. Hence, the same is taxable.]	20
Commission collected on bank guarantee [Any commission collected over and above interest on loan, advance or deposit are not exempt.]	30

- (b) (i) Service by an unincorporated body or a registered non-profit entity, to its own members by way of share of contribution up to an amount of ₹ 7,500 per month per member for sourcing of goods/services from a third person for the common use of its members in a housing society or residential complex, is exempt.

In the given case, monthly contribution per month per member received by Gokul Residents' Welfare Association exceeds ₹ 7,500.

Therefore, exemption will be available up to ₹ 7,500 and GST would be payable on the amount in excess of ₹ 7,500 (viz. ₹ 1,500 in this case).

- (ii) Services by an artist by way of a performance in folk or classical art forms of music, dance, or theatre, if the consideration charged for such performance is not more than ₹ 1,50,000 are exempt from GST.

In the given case, since the consideration received by the performing artist - Mr. Vikalp for performance of classical dance is more than ₹ 1,50,000, said services are not exempt.

Further, consideration received for acting in TV serial is also not exempt since said performance is not in folk/classical art forms of theatre.

(b) *M/s. Daksha Enterprises has made a cash deposit of ₹ 10,000 under minor head 'tax' of major head 'SGST'. It has a liability of ₹ 2,000 for minor head "Interest" under the major head "SGST".*

(c) *State with brief reason, whether following suppliers of taxable goods are required to register under the GST Law :*

- (i) *Mr. Raghav is engaged in wholesale cum retail trading of medicines in the State of Assam. His aggregate turnover during the financial year is ₹ 9,00,000 which consists of ₹ 8,00,000 as Intra-State supply and ₹ 1,00,000 as Inter-State supply.*
- (ii) *Mr. S.N Gupta of Rajasthan is engaged in trading of taxable goods on his own account and also acting as an agent of Mr. Rishi of Delhi. His turnover in the financial year 2017-18 is of ₹ 12 lakhs on his own account and ₹ 9 lakhs on behalf of principal. Both turnovers are Intra-State supply.* **(4 Marks)**

Answer

(a) (i) A registered person supplying taxable goods shall issue a tax invoice, before or at the time of removal of goods for supply to the recipient, where the supply involves movement of goods.

Therefore, in the given case, invoice has to be issued on or before, 11th October 2018 (the time of removal of goods).

(ii) A registered person [other than an insurer/banking company/financial institution, including an NBFC] supplying taxable services shall issue a tax invoice before or after the provision of service, but within a period of 30 days from the date of supply of service.

Thus, in the given case, invoice has to be issued within 30 days of 5th June 2018 (date of supply of service), i.e. on or before, 5th July 2018.

- (b) The cash available in any minor head of a major head cannot be utilised for any other minor head of the same major head.

Therefore, in the given case, amount of ₹ 10,000 available under minor head 'tax' of major head 'SGST' cannot be utilised for payment of liability of ₹2,000 under minor head 'interest' of the same major head.

- (c) (i) Person making any inter-State taxable supply of goods is required to obtain registration compulsorily under GST laws irrespective of the quantum of aggregate turnover.

Thus, in the given case Mr. Raghav is required to obtain registration compulsorily under GST laws even though his aggregate turnover does not exceed the threshold limit of ₹ 10 lakh [since Assam is a Special Category State] in the financial year.

- (ii) Persons who make taxable supply of goods on behalf of other taxable persons whether as an agent or otherwise are required to obtain registration compulsorily under GST laws irrespective of the quantum of aggregate turnover.

Aggregate turnover includes all supplies made by the taxable person, whether on his own account or made on behalf of all his principals.

Since Mr. S.N Gupta is also acting as an agent of Mr. Rishi of Delhi, he is required to obtain registration compulsorily under GST laws.
